Dear Parents,

I am asking each of you to partner with us. Let's make St. Mark's High School Youth Ministry a place where our youth desire to come share and grow in their Catholic Faith. This can **only** happen if we work together. Please prayerfully consider where God is calling each of you to help share the Gospel with our younger generation through words and actions. I understand that you may want to give your teen space but without help we can not serve the needs of our youth and the youth ministry programs here at St. Mark. If each of us do our small part no one has to do it all. Blessings to each of you ... Cindy Hamilton 210-494-1959

Parents: Check at least two or more categories where you can partner with us!

This helps us to know what you are interested in helping with. We will call you and discuss before assigning you to a ministry.
